Medicaid Assistance

AACH partners with an outside vendor to assist all uninsured patients through the Medicaid application process.

HCAP Assistance

For those applicants who do not qualify for Medicaid, the Hospital Care Assurance Program (HCAP) is offered.

- Patients qualify for HCAP on an income and family-size basis. Assets and employment status are not considered in qualifying for this program.
- All qualified HCAP patients will have their hospital balances waived in full.
- HCAP does not cover physician bills. Patients are encouraged to work directly with their physicians on financial arrangements.

Low Income Assistance

For those low income patients who do not qualify for state Medicaid or HCAP, a discounted care program is available to eligible applicants who apply.

- Patients are required to complete an application that determines the individual's ability to pay
- Qualification is good for up to 90 days from service at Aultman Alliance Community Hospital
- The discounted care program does not cover physician bills

Self-Pay Discount

Balances for self-pay patients who do not complete a financial assistance application or do not qualify for other programs will be automatically reduced by 20% at the first statement.

Prompt Pay Discount

Patients are eligible for a "prompt pay discount" of 7.5% if the balance is paid in full before the second statement. Self-pay balances or balances after insurance that include co-payments, co-insurance or deductible amounts are eligible for prompt pay discounts. Patients that receive a charity discount greater than 20% are not eligible for a prompt pay discount.

Payment Arrangements

Payment arrangements will be accepted based on the schedule below according to account balance. Account balances may be combined for ease of payment and posting. A Financial Agreement Form must be completed and signed by the patient for extended payment arrangements.
